Dear Michael:

I would like to thank you for your kind letter telling me the exciting news about the grand opening of the Buea Metropolitan Library in Cameroon, West Africa.

Promoting literacy throughout the world is such an important endeavor. I'm sure the library will make a positive impact on many individuals, young and old.

This is an important milestone for the African community and I would like to congratulate all those involved in making this project a reality.

Please do not hesitate to call me for further assistance.

Sincerely,

David G. Wallace
Mayor
